

Classic style Graphic Design for small companies, non-profit and organisations

Carolina de Klerk Nordholm is a freelance graphic designer, specialised in the classic elegant style of print media. When working with Nordholm Design & Communication you benefit from easy communication in your own language, fast progress thanks to accurate work and a strong attention to detail, maximum service also for mini budgets, and always the same contact person. She is passionate about classic style design, languages, cultures and perfection in layout and text. With Nordholm you can have both the design and a multilingual text editing service. Working languages: Swedish, English, Dutch, Italian and German.
